College of Engineering Graduates Council

The Council Objectives:

• Enhancing communication and establishing the principle of the exchange of views and information between the College of Engineering and graduates as well as graduates among themselves.
• Strengthening the community support for the college.
• Benefiting from the experiences of college graduates.

The Council Responsibilities:

• Supporting and Organizing the College’s graduate’s annual gathering.
• Working on the diversity of the gathering venue in Saudi Arabian provinces.
• Communicating with COE graduates and encouraging them to attend the annual gathering.
• Participating in establishing COE graduates database.
