The "current" year means the academic year preceding the on-site visit. FT--full time. PT--part time

For undergraduate students, no part-time registration is allowed

** The 1st year is the First Common Year, and the 2nd year is general engineering: students are not yet part of the Civil Engineering program.

This table is based on the following assumptions:

- Students completed 31-64 hours are considered in 2st year (after First Common year)
- Students completed 65-97 hours are considered in 3rd year
- Students completed 98-131 hours are considered in 4rd year
- Students completed 132 or more hours are considered in 5th year
